

ANDROID PoE PCAP TOUCHSCREEN

SKU: KA-15PCAPAIO6

## KA-1500 APoE+ 15" ALL-IN-ONE ANDROID STAINLESS STEEL TOUCH PoE+

Designed to handle the harsh environment of a restaurant kitchen, the KA-1500 APoE+ can dramatically improve sustainable kitchen operations.

### Product Description:

This commercial grade appliance reduces the expense and complexity of installing kitchen systems all while improving station performance, efficiency, staff effectiveness and sanitary & safety requirements.

The 15" PCAP touch screen, along with its surface real-estate, provides flexibility to customize screen design and functionality for enhancing performance. Thus, reducing touches and improving ticket times.

Power over Ethernet (PoE) eliminates the need and expense of electrical outlets at each station, as well as, power supplies and cable management requirements that typically accompany other KOS hardware solutions. This will reduce points of failure, which then makes it easy to trouble shoot and provides the ability to easily support & service.

It's commercial grade stainless-steel enclosure and hardened glass helps meet HACCP standards in your kitchen environment, as well as extending your product life and investment value.

Warranty Information: All Kitchen Armor Screens come with an automatic 3 year warranty, extendable up to 5 years upon purchase. Contact us for details on warranty at [info@kitchenarmor.com](mailto:info@kitchenarmor.com).
